feherne@physiobase.com

Professional Interest

- neurological physiotherapy
- rehabilitation

Current position

Associate professor at the University of Szeged, Faculty of Health Sciences,
Department of Physiotherapy

Practice experience

- Filadelfia - Centre for Neurorehabilitating, Denmark
2008 August – 2009 August
- University of Szeged, Faculty of Health Sciences, Department of Physiotherapy
Szeged, HUNGARY
1998 –
- Home Care Service (part time job as a physiotherapist)
2002-

- University of Szeged, Faculty of Medicine, Department of Neurology

Szeged, HUNGARY

1992-1998

- National Institute of Rheumatology and Physiotherapy

Budapest, HUNGARY

1982-1992

Education

- University of Pécs, Doctoral Programmes in Medical Sciences

- 2003 -

- University of Szeged, English-Hungarian Professional Translator Course

English-Hungarian Medical Translator

Szeged, Hungary

2001- 2007

- Semmelweis University, Faculty of Physical Education and Sport Sciences,

- Department of Humankinesiology

- Budapest, Hungary

1998-2001

Humankinesiologist

- Institute for Medical Education, Faculty of Health Care, Department of Physiotherapy

Budapest, Hungary

1979 -1982 - Physiotherapist

Post-Graduate training/Courses:

1993 Basic Bobath course, Budapest, Hungary (120 hours)

1997 Advanced Bobath course, Prague, Czech Republic (40 hours)

1997 PNF Basic course I., Budapest, Hungary (40 hours)

1998 Advanced Bobath Course, Gailingen, Germany (40 hours)

1998 PNF Basic course II., Budapest, Hungary (40 hours)

1998 PNF Advanced course, Ljubljana, Slovenia (40 hours)

1998 Bobath Basic course, assistantsanship 1, Ljubljana, Slovenia (120 hours)

1999 Bobath advanced course, Gladbeck, Germany (40 hours)

2000 Basic Bobath Course, assistantsanship 2, Thessaloniki, Greece (120 hours)

2000 Basic Bobath Course, assistantsanship 3, Szeged, Hungary (120 hours)

2003 Basic Bobath Course, assistantsanship 4, Liberec, Czech Republic (120 hours)

2003 Neurodynamic course, Prague, Czech Republic (24 hours)

2003 McKenzie course „A” (30 hours)

2004 PNF Advanced course II, Lovran, Croatia (40 hours)

2004 Basic Bobath Course, assistantsanship 5 – qualification as a Basic Bobath Course
instructor, Nagykőrös, Hungary (120 hours)

2005 Task oriented Motor Training from Science to Practice Seminar, Konstanz,
Germany

2006 Bobath Advanced course, Liberec, Czech Republic (40 hours)

2007 Maitland manual therapy course (level 1 - 1st-3rd weeks) Budapest

2008 Maitland manual therapy course (level 1-4th week) Budapest

Tought courses:

Bobath refreshment course 2003.

Basic Bobath course January 2005, Szeged, Hungary

Basic Bobath course June 2005 Szeged, Hungary

Basic Bobath course 2005 Ljubljana, Slovenia

Basic Bobath course May 2006, Budapest, Hungary

Basic Bobath course December 2006 Wroczlaw, Poland

Basic Bobath course May-July 2007 Budapest, Hungary

Basic Bobath course May – July 2008 Budapest, Hungary

Certificates Licensure

- Certificates from the above mentioned courses and I have been qualified as an

- Bobath Basic Course Instructor at the IBITA (International Bobath Instructor

Training Association) 2004

Professional Organisation

- IBITA

1999 –

- Hungarian Physiotherapy Association

1982 and since 2000 - Member of the Scientific and Professional Development Committee

- Member of Committee for Developing Countries IBITA

Research/Publication

Anna Feher-Kiss, Edit Nagy, Gyongyi Horvath Trunk assessment in weight bearing positions under normal and pathological conditions *International Journal of rehabilitation Research 30 Suppl. 1 64-65 August 2007*
